Many companies are not aware of the weaknesses which exist until an independent party conducts a review and the company is advised accordingly. This review is more comprehensive than what an organization would normally receive from their external auditors. It can be company-wide, on a single area or on a selected group of areas.

The current economic environment has given many companies a bumpy ride. As a result, it has become increasingly important for businesses to either maintain its resources or recover from distress. Flamingo Consultants will team with its clients in an effort to remain financially sound and stimulate sustainable results.

The Principal of Flamingo Consultants is Everette B. Sweeting, F.C.C.A. Everette has more than 30 years' experience in both the private and public sectors, providing a wide range of financial and accounting services.
